C.No.20624 G

From the C.I of Certified Schools No.1371-38-A3 dated 13th June 1938.

Junior Certified School , Bellary - Purchase of sports materials - Additional grant.

Please see the letter from the Chief Inspector in c.f. It is proposed to raise the maximum amount of expenditure that can be incurred by the Chief Inspector of Certified Schools on the purchase of Sports materials for the use of the pupils of the Junior Certified School, Bellary. The Superintendent of the school says that the present grant of Rs.100 a year is insufficient and that it may be raised to Rs.300. The Chief Inspector has recommended that the maximum amount may be fixed at Rs.200.

2. The following is the maximum amount of grants now allowed for the three certified schools:

		present strength (*)
Senior Certified School, Chingleput ...	Rs.300	482
Junior Certified School, Bellary	100	366
Junior Certified School, Ranipet	150	154

3. In 1936, the grant to the Junior Certified School, Ranipet was, at the instance of the Chief Inspector, raised from Rs.100 to Rs.150. It was then stated that an annual grant of Rs.100 was inadequate for an institution with about 150 boys. In that connection it was suggested in the office note that the annual grant to the Junior Certified School, Bellary also might be raised to Rs.150. The Secretary considered that there was no need to change that then. The strength of the school then was about Rx.230. It is now 366.

4. For orders whether the Chief Inspector's proposal may be accepted. A draft order is submitted for consideration. It may be sent to Finance for acceptance.
